

Old people die... young people die too...

What is death?

Birth... aging... sickness... death...

It is appointed for man to die once and then meet the Creator for judgment (Hebrews 9:27).

At this moment you are still breathing, still alive. Every day you still eat, still drink, still work and rest. Somewhere there is a baby just born... But everywhere on earth... there are also many people who have just died... they no longer live in this temporary life... but they start a new life in the eternal world... no more death...

Human life is so short! We only live 50-80 years... then grow old... get sick... die. We are also very fragile... we can easily die suddenly from a traffic accident... or some terrible disease... that you and I were surprised to see happen to others... can also happen to you and me... because you and I are living in a world full of risks... unpredictable... not knowing if tomorrow... you and I will still be healthy... still intact... still alive or not...

The Creator said:

You fool... If tonight... the Creator should require your soul... then whose will the things you have prepared belong to? So if in 30 minutes... God the Creator should require your soul... then do you know... where... your soul... will be... in eternity...??...

The realm of joy and happiness... or of suffering and crying...

Because: The grave where you are buried will not bury your soul. If you are eaten by wild animals, the wild animals will not devour your soul. If you are cremated, the fire will not burn your soul. Even if you are buried in the ocean, the ocean will not drown your soul... After 2 or 3 days... your body will rot away... But...

Your soul will never die.

Whether you are: Protestant, Catholic, Buddhist, Taoist, Muslim, Confucian or you do not follow any religion... whether you are as powerful as a President with the right to immune from prosecution... or are revered and worshiped as a great leader of a religion...

Please note: You are not God... or the Creator... You are just a human being... a creation of God the Creator... made from dust...

According **to the Creator's law:** Your soul must return to God the Creator... the One who gave you your soul... not that death is the end... or that you can follow whoever you want as many people have mistakenly believed...

The Creator clearly states in the Bible: the body returns to dust as it was before... But the soul must go to meet the Creator to be judged...

Note: God is not a human being... or a religious leader... nor a god of a religion... but the Creator. There is only one God, not two Gods... therefore only God, the Creator, has the full authority to judge mankind... without distinction (Deuteronomy 6:4, Ezekiel 18:4).

The Creator has described the day of judgment clearly in the Bible according to the Book of Revelation chapter 20 verses 10 to 15: *“Then I saw a great white throne... And the Creator sitting on his throne... Before him the earth and the heaven fled away, and no place was found for them... And I saw the dead, small and great, standing before the throne... And books were opened, and the dead were raised to be judged according to what they had done ... The cowardly, those who did not worship and obey the Creator; the thieves, the murderers, the sexually immoral, those who practice magic arts... Idolaters, and all liars... These were thrown into hell ... To live in terrible torment... Day and night forever and ever.. With demons... There is no end...”*

There is a book in heaven that records all the sins of Me and You.

Suppose every day you and I commit only 3 sins against the Creator: Just one bad thought in our mind that no one knows about... But God knows... Just one lie to another person... God hears... Just one unjust act... God sees...

For example if you commit 3 sins a day, In 1 month you have committed 90 sins,
In 1 year = 1080 sins (1000 sins / 1 year)

For example, if a person lives to be 68 years old, he has committed 68,000 sins against the Creator. How old are you? Try to multiply that number to see how many sins it is. So you and I have committed countless sins against the Creator. According to the Creator's punishment... my fate and yours must be to live to suffer terrible pain forever in hell with the devil, the most miserable is to be forever separated from God the Creator, our Beloved Father..

The Creator loves you and I so he seriously warned me and you through the bible about the terrible pain in hell... so that you and I can Awaken... Repent... To be saved..

“ They are tormented day and night forever and ever... with the devil... and have no rest... each one is salted with fire... that never goes out... and with the worm that never dies” (Revelation 14:9-11, 20:10; Mark,9:47-49).

“ To suffer shame and everlasting contempt... because of the evil thoughts... desires... words... deeds... that you have done while you were still alive in this body... are being read out before the judgment seat... and known to every person” (Daniel 12:2).

Note: When you and I are in hell... even if you and I regret... repent... cry and beg... for forgiveness... it will not be... (Luke 16:24).

In prison on this earth... there is still a day to get out... but in hell... forever... forever... there is no day to get out... there is no second chance... to be pardoned through praying for the dead... there is no purgatory... to be liberated... wanting to be reincarnated as a “dog” is also not possible... In this world... even if you and I have to suffer terribly due to an accident or some terrible disease... it cannot be compared to a minute of pain in hell. In hell, you and I “want to bite our tongues and commit suicide” to die... but we cannot... but must live to suffer eternally... with the devil. The Creator does not need to scare you and me (Genesis 9:6).

The Greatest Good News For You and I

The Creator said... Let us make man... (Genesis 1:26).

The Creator who gave birth to mankind... is our Merciful Father... loves me and you very much... does not want us to suffer eternally in hell... but wants you and I to live eternally happily in heaven... so the Creator come to earth as a human being of flesh and blood like us... His name is Jesus.

Jesus lived 33 years in this world, to teach mankind about the Creator and His Forgiveness, Salvation and Re-creation given to the corrupted mankind... because of their sinful nature...

Jesus also performed many miracles... to prove that He is the Son of God,, the Creator... full of power... through the fact that He healed all diseases... He drove out demons... He told the wind and the stormy sea to stop... The most miraculous thing was that just by the words of Jesus... the dead were resurrected...

Finally, Jesus died a painful and humiliating death on the cross... to die for us... to bear the sins of mankind... (Father bear the sins of his children)... Jesus was buried in the tomb... But on the third day... The most miraculous thing that mankind could not imagine happened... But it was foretold by Jesus himself...!!! Jesus **rose from the dead** !!!

Jesus appeared 10 times to many people. Some of His disciples doubted... so Jesus appeared to them... and rebuked them... telling them to touch the nail marks that had been driven into His hands... and feet... and the spear that pierced His side... so that they would believe that He was not a ghost... but a man with flesh and bones... Jesus also ate a piece of grilled fish... to prove that He had resurrected and was alive (Luke 24:1-5.3). After 40 days of resurrection from the dead... with 10 appearances... to many people... Jesus, God, the Creator, was taken to heaven before many witnesses... All the wonderful things about Jesus: His birth as a human being. His death to take away the sins of mankind... His resurrection... His 10 appearances... and his being taken to Heaven before many witnesses... have been recorded accurately and clearly in every detail... in the Bible... and in human history as well... and are not the fantasies of fanatics.. (1 Corinthians 15:3-8).

Jesus is God, our Creator, our Father... who has promised... to return to take believers to Heaven, that is, those who recognize themselves as sinners... repent... accept Him as their Savior and Lord of their lives. They will live happily ever after... with their Creator, their Beloved Father.

Jesus is God the Creator... Our Father says: Truly... truly... I say to you... he who believes in Me... has eternal life... shall not come into judgment... but is passed from hell... to Heaven...

Do you desire... to be forgiven of all your sins... to escape the torment of hell... to become a child of the Creator... to live happily in this life... as well as in eternity... in the love and grace of God the Creator, your Father? Then repent... receive Jesus into your heart... as your Savior... who died... to bear your sins and to be your Lord... then you will surely receive forgiveness of sins... and will enjoy that Precious Promise... as we... as millions of our brothers and sisters... in the world are enjoying... (The Creator does not lie). When we think about our own death... our hearts are at peace... joyful... and we long for it to “come soon”... because we are not in hell... but are returning to Heaven... to be with our Creator, our beloved Father (2 Corinthians 2:6-8, Philippians 1:21).

Heaven is where the Creator creates a new heaven... a new earth... new people... In heaven there is no sin... death... crying... suffering... hunger... sickness... like in this world (Revelation 21:1-7).

Our bodies are rotting in the coffin.. But our souls will live.. With.. New bodies.. In heaven.. Rejoicing.. Singing.. Because we are living very happily with our beloved Creator God and Father (Revelation 21:5, Philippians 3:21).

Remember: God the Creator is our merciful father who does not discriminate.. whether rich or poor.. high religion.. virtue.. or evil sins.. of me and you.. Because before the Creator's court.. all people are sinners.. deserving to be thrown into hell.. to suffer eternal punishment.. with the devil and demons.. without a day of release. But the Creator cares about you and I.. because the Creator gave birth to you and I... is my and your father.. so the Creator was incarnated.. became a Human.. to die.. to bear the sins of you and I on the cross.. and was Resurrected... to give forgiveness and eternal life to you and I in blessed Heaven.

But if you reject the mercy.. and forgiveness.. of the Creator.. then one day... You will also die... no one can escape from God the Creator... to be judged... sooner or later... and the consequence of a wicked... evil life... while still living in this mortal body... is eternal torment in hell with the devil and demons... without a day of release... Meanwhile,

the days of joy... singing for those who know they are sinful... evil... but repent... reform... receive forgiveness... of the Creator... through the substitutionary death of Jesus... for us... In heaven... will last... forever... endlessly... because they will live in eternal happiness... with God the Creator, the loving Father...

Note: Think... human beings are like grass... beauty like flowers... how fragile... beautiful in the morning... withered in the evening... tomorrow no one will see or know it anymore! It is also worthless... as the Creator said... when humans sin... you must sweat your brow to eat... until the day... you die... return to dust... because you are dust... you must return to dust... leaving behind all that is most precious... “naked”... before the judgement seat of the Creator... and with countless sins... your iniquities... you must suffer terribly... forever in hell..

This is an extremely serious problem between “God and man”... between “the Creator and sinful mankind”... **so what you and I need most is to repent to be forgiven by God, to be saved from eternal torment in hell ...** Now happiness... or eternal suffering... is up to you to decide... right now... in this life. Because when you die... there is no more chance... to repent... to be forgiven... If you truly desire... to be forgiven of all your sins... to be freed from eternal torment... in hell with the devil... to be accepted... to become a child of God the Creator... to live happily in love... and God’s grace in this life... and in eternity... then sincerely pray this prayer::

Dear my Creator... my Lord... I thank you... even though I am a sinner... deserving of eternal torment in hell... with the devil... but you still love me... you came down and became a human... to die... to bear my sins... and rose again... to forgive my sins... and give me eternal life... now... I repent... please forgive all my sins... and come into my heart... to be my Savior... and my Lord.

I believe that Jesus Christ is, the Son of God. I confess that Jesus is Lord, and I believe in my heart that God has raised him from the dead. I receive Jesus Christ to be my Lord and Savior. Thank you my Lord. I’m forgiven, I’m saved, I’m born from God, I’m on my way to Heaven because I have Jesus Christ in my heart. Please help me by your power that I can live obediently to you... to please you. I thank you so much. I sincerely pray. In Jesus name ... Amen

The Creator is the loving Father... who heard you when you prayed... who forgave all your sins... who adopted you as his child... and the wonderful thing is... the Creator... who is... great... transcendent... loving Father... has come into your heart... ready to help you when you pray...

Note: You only live once...and then you die...only to prepare...for your destiny...for eternity...you cannot live again... a second time...not even for a minute...to repent...to readjust...to correct...

For those who are christians... in name... but not in reality... (Revelation 3:1-6, John 3:3-5, Matthew 7:21-23 , Jude 17,19). For the sake of your own Destiny... in Eternity... you should study this “extremely... extremely serious matter very carefully”... while you are still alive...
